

MEMORANDUM

TO: District Education Council
FROM: Roger Nesbitt
DATE: Policy Committee Recommendation

Policy 4.8.1(b) Currently reads:

The District Education Council will pass a motion at the May meeting to forward the recommended name to the Minister for the appointment to be made.

Proposed New Wording

Upon receipt of the name supplied by the Student Leader's Council, the Chair shall forward the name and contact information to the Minister for the appointment to be made.

The rationale for this recommendation is that the re-wording better reflects the actual practice in that the Student Leader's Council is asked in the Spring to supply a name of a student for the one-year appointment to the DEC. Once this is received (and they are asked to supply the name by the time of the May meeting of DEC) the information is sent to the office of the Minister who makes the appointment. The hope is that this will allow for the appointment being made in time for the student to join us at our August meeting.
