Roger Nesbitt
Chair, ASD-S District Education Council

Dear Mr. Nesbitt,

It is with a full heart and a heavy mind that I submit my resignation from the Anglophone School District South – District Education Council, effective August 15, 2025.

Throughout my time here, I have been inspired by the courage and unwavering dedication of our educators and district staff and the resilience of our students. As a DEC we have faced challenges together, celebrated milestones together, and worked through difficult conversations with the shared belief that all ASD-S children deserve the very best.

This decision to step away has not been easy. My personal and professional responsibilities have grown, and I need to honour them fully at this time. But leaving does not mean letting go, I will continue to be a strong advocate for equity, inclusion, and excellence in education, even if my contributions take a different form.

Thank you for trusting me, challenging me, and allowing me the privilege to serve. The relationships built here and the lessons learned will stay with me for a lifetime.

With deep gratitude and respect
