September 18th, 2025

To the Members of the District Education Council,

I am writing to formally resign from my position with the District Education Council, effective September 30th, 2025

This decision comes after careful consideration and is due to professional commitments that require my full attention and focus at this time. It has been a privilege to contribute to the Council's important work in supporting education and student success in our district.

I am grateful for the opportunity to have served alongside such dedicated individuals and for the experiences and insights I have gained during my tenure. I remain committed to the values of public education and hope to continue supporting our community in other capacities in the future.

Please let me know how I can assist in ensuring a smooth transition.

Sincerely,
Sarah Craig
